EXPERIENCE

Frontend Developer – Authority Entrepreneurs | July – Oct 2025

Worked as a **Front-End Developer** focusing on creating responsive and visually appealing web interfaces using **React.js, HTML, and CSS**. Collaborated closely with UI/UX designers using **Figma** to translate design concepts into functional web pages. Integrated **RESTful APIs** and contributed to the development of websites, **landing pages**, and **CRM systems**. Actively participated in **team collaborations**, **code reviews**, and **testing** to ensure high-quality, user-friendly experiences.

Frontend Developer – Mentiguru (Contract) | April – May 2025

Worked on a **2-month contractual basis** as a **Frontend Developer**, contributing to the development and enhancement of **user interfaces using React.js**. Collaborated closely with the **design and backend teams** to deliver **responsive, accessible, and user-friendly web components**. Focused on **optimizing UI performance** while maintaining **clean, scalable, and maintainable code** to ensure a smooth and efficient user experience.
